SUPPLEMENTAL EXAMINER'S AMENDMENT

Upon further review, it is noted that a slight inconsistency exists in the wording of the specification on page 10, line 28. This particular passage refers to Figures 1-5, where in fact the drawings only contain Figures 1-4C. Thus, the following supplemental examiner's amendment is intended to correct this obvious and inadvertent error in the wording of the specification. Although this specific change was not discussed with applicant's attorney, the need for said change is self-evident.

IN THE SPECIFICATION:

Page 10, line 28, "1-5" has been CHANGED to -- 1 4C --.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Sebastiano Passaniti whose telephone number is 571-272-4413. The examiner can normally be reached on Monday through Friday (6:30AM - 3:00PM).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Eugene L. Kim can be reached on 571-272-4463. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
